Dear Valter Andre Machado, Mohammed K. Al-soofy and Rey Benjamin M. Baquirin,

We are pleased to inform you that, after the double-blind peer review (please refer to the attached files), your manuscript, as identified below, has been accepted for publication and oral presentation at the 6th International Conference on Computing and Data Engineering (ICCDE 2020), going to be held in Sanya, China during January 4-6, 2020.

Paper ID: AC20-539

Paper Title: Round Robin with Shortest Job First based on the computation of time quantum using the arrival time of the current process

Do prepare the camera ready manuscript in ACM format (double column), by incorporating the suggestions/modifications as recommended by the reviewers; simultaneously do complete the registration formalities within the time frame as specified. *As per the ACM Convention, pls. do NOT add any title or Designation (Prof./Dr/Mr/Ms/Smt/Research Scholar/Director/Head-of-the-Department etc.) before/after the name of the authors in the camera ready manuscript.*

As you are aware, all the accepted papers sent on time, duly registered and presented in the conference will be published in the ICCDE 2020 conference Proceedings (which will be archived in the ACM Digital Library, and indexed by Ei Compendex, Scopus, and submitted to be reviewed by Thomson Reuters (ISI Web of Science)).

ICCDE2020

We received an overwhelming response to the CFP for ICCDE 2020 & were able to accept only a small fraction of the entire set due to rigorous reviewing procedure and other constraints. On behalf of the entire organization, we would like to convey to you our hearty congratulations for the shortlisting of your paper for the conference program. It would be our pleasure to meeting you in Sanya NEXT year during ICCDE2020 & we eagerly look forward to the same.

With kind regards,

Yours sincerely,
